To activate this policy, it is compulsory to register the product here, maximum 6 months after the purchase. The original receipt could be required anytime by Symphony Stone. In the case of acquisition of a new house, Symphony Stone honors the real estate purchase contract as the original receipt. You are responsible for entering the correct details in the registration form. Those are: contact details, where Symphony Stone is installed and product information. In case any information is not correct, your Symphony Stone product may not be properly covered.

This warranty is personal and not-transferrable to the natural person that registers his/her personal information according to the instructions given in the registration form.

In order to assess any product claim, the policyholder agrees to allow any professional authorized by Symphony Stone to enter wherever the product is installed to examine the product and take pictures of the material and installation.

The purchaser and/or the fabricator/installer are responsible to inspect each slab for color, pattern and defects. Material with visible manufacturing defects must not be used. Samples are small select cuts from a slab; they do not exhibit all the characteristics of a design and therefore are not fully representative of what will be installed.

The warranty covers only manufacturing defects found to adversely affect the installation of Symphony Stone in residential applications. Symphony Stone has the right to repair or replace any material it deems defective, at its sole discretion.

This warranty is only applicable to the product that has been used and maintained by following the care and maintenance recommendations, as prescribed herein by Symphony Stone. [Click here.](#)

This warranty is only applicable to Symphony Stone surfaces that have been permanently installed indoor and have not been moved from the original installation.

Symphony Stone is not a seamless product; seams are visible. Where there are seams, the product pattern and shade can change.
